WOW, what a car show! 94 cars, a \$1400+ 50/50, plenty of awards, and a parking lot full of beautiful Corvettes. It was a great day. Many thanks and congratulations to Kim West and her committee on the conduct of this great event.

Larry Schaapveld hosted a Fall Scramble for the Southwest Region on Sunday following the Saturday car show; in the rain! Tough day!

Our November membership meeting will see a busy evening with a vote on recent by-law changes, nominations from the floor for elective offices, and other discussions. Please plan to attend.

The Christmas party is drawing close. Check VP Jim Dawson for details in your Lowdown.

Robert Geyer has a final cruise coming up on November 5th. Advanced signups have warranted splitting the cruise into two groups. This should be a blast! For more more details on club activities, keep reading your Lowdown and stay current on the club website. Veterans, your Fort Worth Parade falls on a Friday this year. Get those Corvettes cleaned up.

The year has flown by and 2023 will soon be a reality. Renew now to avoid a late fee.

The WAVE, remember ?

Cowtown Vettes - Christmas Party

6:30-10:30pm Saturday December 10

Lost Oak Winery, Burleson

I'm working with Babe's Chicken House on catering, but we may be limited to their renowned fried chicken because of limitations on chicken fried steak. I'll keep you posted on our menu as it gets finalized. I'm also talking to a DJ and we'll have year-end awards.

As we wind down the social calendar this year, I wanted to mention some early activities in the works for 2023:

Sunday, February 12: Super Bowl Party

We'll have the traditional betting squares to purchase, but add some in game actions and stats to wager on - the number of challenge flags thrown, passing and rushing yards, total QB sacks and much more.

We will have a bowling tournament, a Corvette Bingo Tournament, a St. Patrick's Day surprise, and a Mardi Gras dinner event.

Also, to bring additional variety into our events next year, I have reached out to Michelin to do a "Tech Talk" on tires, and a car tunes expert on the latest in sound systems and speakers.

Get Ready -
Corvette Bingo is on the Way!

Some great weather recently and even a little rain here and there – hope everyone is staying safe and that you had a great October. We will have a slideshow for November with socials and events along with a couple of events. The Slideshow will again be on the BIG SCREEN at

Fat Daddy's again this month for your viewing pleasure. In addition, Larry (our webmaster) will post it online, on the CTV Website. **If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.**

Cowtown's **Microsoft O365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the highest resolution option you have on your camera or smartphone.

We would request that when you are replying to a **CTV-ALL** email, please **only reply to the originator of that email**. To do this, select *Reply* on the email, then **remove the CTV-ALL** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy. If you change your email address – please send an email to CTV-Membership@groups.io. If you are not receiving CTV-ALL emails, please get with me so we can either add you or figure out why you aren't receiving them. More information on lists and acceptable use of them [can be found on our website](#).

facebook – if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Maybe some of you are in the witness protection program and don't want to be tagged. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

CAR SHOWS: Thank you to everyone that attended and represented Cowtown at [BRCC's 16th Annual Corvette Show](#). From what I heard and the photos I saw, lots of you came home with some nice bling. This also helps in bartering for BRCC's 10 Sanctions for 2023, enabling Cowtown to generate additional revenue.

Hats off to Kim, the Car Show Committee for [Cowtown's 20th Annual Corvette Show](#) on October 15th.

Thanks to Larry, James and team for hosting **CTV's NCCC Car Show, Funkhana & 2 Rallyes** on the 16th, even though it was in the rain.

COWTOWN CRUISER

Robert Geyer
Cruiser Chairperson
geyerdrill@aol.com
James Little: Co-Chair

Hello Cowtown,

It's November and cruiser season is winding down. I hope all of you that came along on one or more of my cruises had a great time and made many good memories.

I have several items to discuss this month. First, remember this November meeting is when you will turn in to me your Cruiser points log sheet and photos for judging. Second, bring your 'WHAT I SAW ALONG THE WAY' pictures so I can display them and our club members can vote for the pictures they like best. It's a secret balloting and I'll tally the results and determine the First, Second and Third place winners. Awards will be presented latter.

Next order of business will be my last cruise of this season. As most of you already know Larry and Vicki Currey have graciously offered their airplane hanger as a place to hang out and socialize after eating a great lunch at Hicks airfield cafe. I have already sent out CTV ALL emails giving the details for this cruise. So hope to see those that have SIGNED UP with me for my last 2022 cruise on Saturday November 5th.

Looking to the future I already have two new cruises in the planning stages for early spring next year so stay tuned for those.

That's all for now so **keep Cruising and Save the Wave**

SPONSORSHIP

Sponsorship
macsvettes@gmail.com

Do you or someone you know own a business – become a sponsor Cowtown Vettes Sponsor? There are multiple levels depending on the depth of sponsorship desired.

Do you have a candidate or thought on a club sponsor?

With club sponsors we have the ability to not only fund

the financial needs of our club but we also have opportunities for funding an event or socials; or even to print the Lowdown, etc. We have a freshly painted Club Trailer, and certain Club Sponsor Levels will have their logo added to it, adding visibility beyond the flyer and our website.

I always have copies of Cowtown's NEW Sponsor Program, and these are available at the Membership Meetings – see me. They are also available on our website, on the Sponsor page. If you need some in between meetings, contact either myself or the Sponsorship Committee CTV-SC@groups.io

We continue tweaking the Member Guide that will help everyone to understand and promote Cowtown to potential sponsors. This guide will only be posted on the **CTV Member's Only** website page – not to be distributed to non-CTV Individuals.

If you have questions or need clarifications, please reach out.

October 15th was a beautiful, but warm day for our car show. In addition to all the beautiful cars on display we had door prizes and a 50/50 raffle.

We were very fortunate to have many sponsors, vendors and individual donors who supported our club's event. We drew names from those who registered and gave out over 40 door prizes. The 50/50 raffle raised \$1,414. In 2021 we raised \$1,175, so we had a nice increase for 2022. This year's 50/50 winner was William McNutt, a member of Parker County Corvettes. Congratulations William! He took home \$707. The balance of \$707 will go into our charity fund. Our own Kay Snegon won the \$500 GC to Del Friscos, donated by Mid Cities Classics. Looking forward to the 2023 show!

Don't forget Cowtown Vette's will volunteer at the Tarrant Area Food Bank on Thursday, November 10th from 1:00 – 4:00 pm. More details to follow. Mark your calendar now.

Corvette Racing Continues...Go yellow #3

Corvette Racing Seeks To Win AT Petit Le Mans 2022

Corvette Racing has had a rough go on the IMSA circuit as of late.

Back in June, the Bow Tie racing team suffered a double DNF at Le Mans after the No. 63 Vette broke down and the No. 64 race car was involved in a wreck. The cars managed to finish third at Road America in early August, before settling for a second-place effort after a caution wiped out their chances of winning at Virginia International Raceway. In mid-September, the Vette racers struggled at Fuji, unable to crack the tough racetrack. Now, as the team heads to Petit Le Mans at Road Atlanta, Corvette Racing is looking to turn its luck around before the end of the IMSA season.

Garcia, Taylor Plan Return to No. 3 Corvette with a Splash of Milner

Between them, Garcia, Taylor, and Milner have collected a total of 79 wins and 11 championships in IMSA competition. Garcia and Taylor drove the No. 3 Corvette to the 2020 and '21 championships in the GT Le Mans (GTLM) class before finishing third in the first year of GTD PRO in 2022, winning the Mobil 1 Twelve Hours of Sebring Presented by Advance Auto Parts with Catsburg as the third driver.

Howdy –

Great news – the National Corvette Museum Motorsports Park is back and better than ever. As you know, tornados that struck Kentucky created havoc with the MSP but all improvements and renovations are now completed and allows for some exciting driving fun. Corvette enthusiasts can book C8 Corvette driving, track rentals for personal vehicles driving and racing, not to mention high speed go-karts.

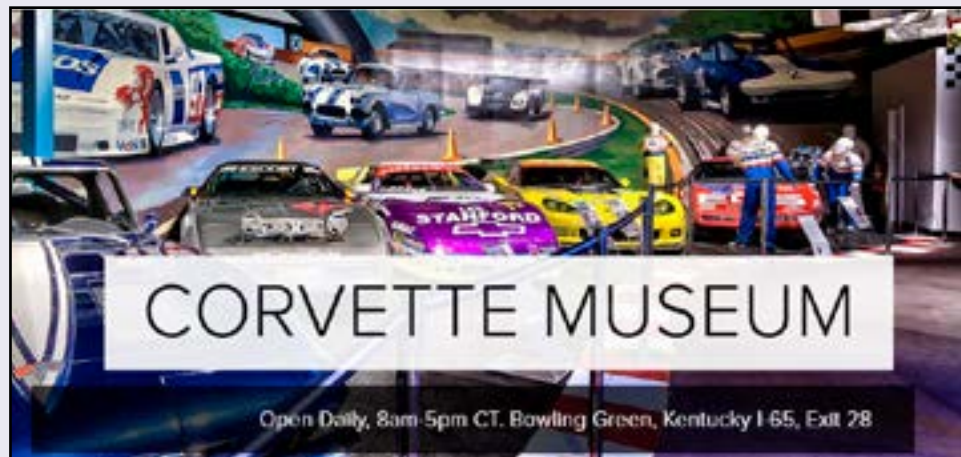

Other exciting news was announced that MSP will become the first commercial track in the nation to accommodate Z06 racing/driving. Introducing the Z06 into their fleet, you will be able to book your own opportunity to enjoy the power and performance of this incredible machine.

A wild story coming out of the Bowling Green MSP, is that the track now owns its first Guinness World Record. Scot Burner has the world record for speed while driving in reverse. In a C7, Scot set the fastest time for the one mile drive in reverse. He shaved more than 20 seconds off the previous record going one mile in 75.18 seconds. He averaged between 45 and 53 mph. Great job Scot, but I have one question why ?

Have fun in your Vettes as the weather is getting perfect for fun on the road !

Even though the renewal form states November 7, I have extended the cut-off date until **November 12**. If your envelope is postmarked by **November 12**, you will NOT have to pay a late fee for renewal. Any renewals I receive after that, WILL be subject to a \$10.00 late fee.

In spite of a rainy day, Cowtown held “**Cowtown Football Fumble**” on October16 at Fat Daddy’s. A car show, funkhana and two ralleys were held. A good, wet time was had by all in attendance.

By the time you’re reading this, the last autocross of the season will have been held in Killeen on October 29, with drags on the 30th. This will be the **ONLY** three drag event in the SW Region this year.

Currently, there are **3 CTV men** and **3 CTV women** in the Southwest Region Top 10:

- James Little is 2, Larry Schaapveld is 4, and Norman Walker is 5.
- Kim Little is 6, Cathy Anthony is 8, and Mary Pittman is 10.

Cowtown Vettes is the **Number 1 Club** in the **SWR**, and our membership now stands at 167!
