THE PRESIDENT'S PIT STOP

David Gill
President

president@cowtownvettes.org

Sooner or later, all things must end. A total of three years as club president is quite enough for me. It was my objective that I leave the club at LEAST as well off as I found it and hopefully better.

Plans for next year's activities are already forming. January has traditionally been an off month when the new board is forming up and the new year's administrative requirements are being met.

If you have not made plans to attend the Christmas party, you are running out of time. This year's party is shaping up to be very entertaining. The hard earned awards will be presented following a nice meal. VP Jim Dawson should have more details in his column.

I would like to take this opportunity to extend my sincere thanks to the 2022 elected Officers and Board of Directors for a job well done. Thanks also to all of our committee chairs. These positions are not complex nor are they difficult but, as committees, there is plenty to do to achieve success. I hope to see new member volunteers filling the vacated positions.

Our 2023 elected officers and board members are already being determined. There are three remaining contested positions that will be determined at the December membership meeting. Please plan to attend on Wednesday, December 7th and cast your vote if you have yet to do so.

This will be the last membership meeting in which I will preside. I step down from the (virtual) podium and take with me many memories that I will never forget. Thanks to each and every one for your support.

Merry Christmas & Happy New Year

Cowtown Vettes Christmas Party

Saturday December 10
6:30-10:30pm

Lost Oak Winery, Burleson

As we wind down the social calendar this year, I wanted to mention some early activities in the works for 2023:

Sunday, February 12 Super Bowl Party

We'll have the traditional betting squares to purchase, but add some in game actions and stats to wager on - the number of challenge flags thrown, passing and rushing yards, total QB sacks and much more.

We will have a bowling tournament, a Corvette Bingo Tournament, a St. Patrick's Day surprise, and a Mardi Gras dinner event.

Also, to bring additional variety into our events next year, I have reached out to Michelin to do a "Tech Talk" on tires, and a car tunes expert on the latest in sound systems and speakers.

Get Ready -
Corvette Bingo is on the Way!

Wow, the HOT summer ended, we skipped Fall and now we are into Winter ...*brrrr*. My apologies for missing the November Membership Meeting and not being able to share a slideshow. With the heavy rain forecast they moved the HS Football games up by a day, which conflicted with the club meeting. Not only is our youngest grandson on the football team but I am also the photographer (on the sideline) for the games, so I needed to be there at the last regular game of the season. I will have a slideshow at the December Meeting which will include the October & November socials and events. The Slideshow will be on the BIG SCREEN at **Fat Daddy's** for your viewing pleasure. In addition, Larry will post it online on the CTV Website.

If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.

Cowtown's **Microsoft O365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the highest resolution option you have on your camera or smartphone.

Hats off to all of you that competed and worked in an NCCC event this year. As **Norman**, our NCCC Governor will share, Cowtown finished very well in the **Southwest Region** and **Nationally** this year. These activities / events not only promote our club, but you can gain "extended family" which become great friends; and we certainly enjoy and need the financial gain from these events. At the time of authoring this article, James Little is on his way to Florida to compete in one more weekend of competition, working hard to stay in the Top 15 Nationally.

We would request that when you are replying to a **CTV-ALL** email, please **only reply to the originator of that email**. To do this, select **Reply** on the email, then **remove the CTV-All** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy. If you change your email address – please send an email to CTV-Membership@groups.io. If you are not receiving CTV-ALL emails, please get with me so we can either add you or figure out why you aren't receiving them. More information on lists and acceptable use of them [can be found on our website](#).

facebook – if you are on Facebook and not a "friend" of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Maybe some of you are in the witness protection program and don't want to be tagged. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

We are looking forward to a great **2023** and enjoying our Corvettes.

Hope you and your family had a Happy Thanksgiving. **Have a safe and Merry Christmas along with a Healthy, Prosperous and Happy New Year.**

COWTOWN CRUISER

Robert Geyer
Cruiser Chairperson
geyerdrill@aol.com
James Little: Co-Chair

Hello all,

Hope everyone had a wonderful Thanksgiving and looking forward to Christmas with family and friends. Not much happening with cruising at this time of year because of the Holidays and winter weather. I do want remind everyone that Cruiser points have been tallied and Cruiser photo voting is complete. Winners and awards will be given at Cowtown's Christmas party. So come join us and see who won what.

I am working on two cruises for early Spring. One goes to Oklahoma just over the Red River to a special catfish diner and a second cruise to Cross Plains for a unique private car museum. More information will be given early next year. If you have a special or unique place or drive that you think might be fun to do let me know and I'll check it out as I'm always looking for something new.

That's all for now, hope to see everyone at the Christmas party.

Keep Cruising and Save the Wave !

SPONSORSHIP

Sponsorship
macsvettes@gmail.com

Do you or someone you know own a business – why not become a Cowtown Vettes Sponsor? There are multiple levels depending on the depth of sponsorship desired. Do you have a candidate or thought on a club sponsor? With club sponsors not only can we fund the financial needs of

our club, but also have opportunities for funding an event or socials; or even to print the Low-Down, etc. **We have a freshly painted Club Trailer – certain Club Sponsors Levels will have their logo added to it, adding visibility beyond the flyer and our website.**

I always have copies of Cowtown's NEW ***Sponsor Program***, and these are available at the Membership Meetings – see me. They are also available on our website, on the Sponsor page. If you need some in between meetings, contact either myself or the Sponsorship Committee CTV-SC@groups.io

We continue tweaking the Member Guide that will help everyone to understand and promote Cowtown to potential sponsors. This guide will only be posted on the ***CTV Member's Only*** website page – not to be distributed to non-CTV Individuals.

If you have questions or need clarifications, please reach out.

On behalf of Tarrant Area Food Bank, I would like to thank Cowtown Corvette Club for volunteering at Quality Control on November 10, 2022! We are so grateful for our volunteers. We could not reach the families in need without your help.

Once again, thank you so much for choosing to participate in the fight against hunger! We look forward to having you all join us again in the future. Have a great day!

Corvette Racing Continues...Go yellow #3

Corvette Racing Finishes Second In 8 Hours of Bahrain

Corvette Racing finished the 2022 World Endurance Championship (WEC) season on a high note, placing second in the GTE Pro class in the 8 Hours of Bahrain.

Piloted by Tommy Milner and Nick Tandy, the No. 64 Chevrolet Corvette C8.R started fifth in its class when the green flag dropped, having posted disappointing results in qualifying and practice. However, early in the race, Milner elected to go a lap longer than other competitors in the GTE Pro class before pitting, gaining over 30 seconds on the race cars behind him.

After successfully commanding second place, Milner handed the Corvette Racing machine over to Tandy, who maintained the position before Milner reassumed control. When Tandy stepped behind the wheel once again with two and a half hours remaining, all he had to do was hang on to the position. He did exactly that, ending Corvette Racing's season – and his stint with the team – with a strong run. The only team to outpace them in the GTE Pro class was the No. 52 Ferrari 488 GTE EVO of Miguel Molina and Antonio Fuoco.

NATIONAL CORVETTE MUSEUM

Randy Baker
NCM Ambassador

Howdy –

As many of you know, our **National Corvette Museum** just celebrated its **28th Anniversary** in **September**.

Having opened in 1994, our shrine to America’s Sports Car continues to expand and change to meet the needs of Corvette enthusiasts worldwide. Located next to the one and only Corvette Factory in Bowling Green, Kentucky, this 115,000 sq ft facility has added the **NCM Motorsports Track**.

The **30th Anniversary** in **2024**, will feature the **7th National Corvette Caravan** on **August 29-31, 2024**. The caravan happens every 5 years and with the 30th Anniversary of the Museum, it should be a fun and memorable event. Corvette owners throughout the US will meet up and cruise to Kentucky. Rumor has it that clubs from our area will meet up in Little Rock, Arkansas and caravan to the museum. As events are firmed up, I will update the plans for this “don’t miss event”. Although the itinerary for the 30th Anniversary has not been completed and registra-tion will not be available until the fall of 2023, it is not too early to mark this on your calendars. [Click on the logo above for more information.](#)

By the way – the Z06’s are in and the Motorsports Track is taking reservations for drivers to take them for a spin. They are currently booked up through March, but if interested, get your name on the calendar. Only **\$1000** for **three** laps YIKES !

Have a great season and with a hint dropped here and there, just maybe Santa (or a loved one) will hook you up.

NCCC HAPPENINGS

Larry Schaapveld
NCCC Events Coordinator
ncccevents@cowtownvettes.org

The Regional and National competition year is over and Cowtown faired pretty well. We sponsored 5 events, the practice autocross, two sanctioned autocrosses and two combined car shows, funkhanas and rallies. The NCCC events brought a net profit to the club of \$5,360.92. In the region **James Little** finished **2nd** overall followed with **myself** in **4th** and **Norman Walker** in **6th**. Regionally in the ladies overall competition **Kim Little** finished **6th**, **Cathy Anthony** finished **8th** and **Mary Pittman** finished **10th**.

Our Regional success was only possible because of the hard work of our many volunteers and corner workers. Without a doubt we have the best workers in the region! Their efforts made it possible for **Cowtown** to finish **1st** in the Region and **5th** in the Nation.

I hope everyone will plan on attending the regional awards banquet **April 1st** at the **Lost Oak Winery** in **Burleson** to celebrate our winning competitors!

Nationally, **James Little** finished in **14th** place and **Chris Gann** from **Oklahoma City** finished **13th** and **Jerry Brittner** from **Tin Hall Toys** finished **7th**.

I hope we have a strong conation from the Southwest Region at the National convention in Bowling Green in June to applaud our regional's National Champs!

Next year will start with our practice autocross on **March 11th** at **Azle High School** followed by our first sanctioned autocross at **TCC** on **April 15th** and **16th**. Then we have the **Spring Scramble at Fat Daddy's** on **May 20th** and **21st** with our fall autocross back at **TCC** on **September 16th** and **17th**.

I'm looking forward to another good year. It will only be possible with support from our club members.

Thanks again for all your help and support!

Happy Holidays

NCCC GOVERNOR

Norman Walker
NCCC Governor
norman_walker@charter.net

Renewal is over! Of course late renewal, with a **late fee**, is still an option. Early renewal is at 144 members, and I know we will have a few late renewals coming in. This is actually better retention than we had last year!

Final results in NCCC competition are as follows-

Th' Boys:

- **#2 James Little**
- **#4 Larry Schaapveld**
- **#6 Norman Walker**

Th' Gals:

- **#6 Kim Little**
- **#8 Cathy Anthony**
- **#10 Mary Pittman**

Cowtown Vettes finished 1st in the SW Region! James Little is currently ranked 15th Nationally!! The awards banquet is scheduled for April 1, 2023 at Lost Oak Winery. You do not have to be a recipient in order to attend.

As you should know, the **National Convention** in **2023** will be held in **Bowling Green**. (wherezat n why? we I hear from the heathens...) As we did before the 2017 convention in New Orleans, the SE Region is going to have a Convention Tune-Up fund raiser in Bowling Green. A flyer with more information can be found here: <http://www.ncccsregion.org/2023/2023-Conv-Tune-Up.pdf>
