THE PRESIDENT'S PIT STOP

Raley Smith
President
rsmith1203@att.net

OK, another trip around the sun completed. I trust each of you had a Merry Christmas and enjoyed time with loved ones, ate copious amount of holiday delicacies and are ready to see what 2023 has in store for you. Cowtown Vettes newly elected Board members are already at work planning events and socials that are sure to make 2023 a year full of exciting opportunities that you'll want to take advantage of. Topping the list of activities will of course be the normal NCCC events – Autocrosses, Rallies, & Funkannas – as well as a car show or two, cruises (in your Corvette, not on Princess) and other social events. Each presents an opportunity to get the Vette out of the garage and gather with members; I hope we see each of you at a lot of club activities.

I've outlined some of what the Board has planned for you, but we need each of you to get involved. There's quite an array of Committees that make things happen and, believe it or not, each committee provides members an opportunity to help throughout the year. The committees and their chairpersons are listed in the first few pages of the LowDown. If you see one without a chairperson listed, it means we need someone to step in and fill that role. Here's a chance to see you name in print – VOLUNTEER!

Finally, let me say a word about the monthly Membership meeting. It's a business meeting prescribed by the ByLaws and will not always be entertaining but is necessary to attend to the business affairs of the club. We'll do everything possible to make it interesting but don't think it is representative of what CTV is all about. You gotta come to the events mentioned above to learn what the club is really all about.

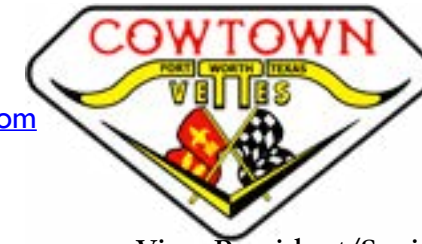

Let's get out and burn some rubber together

SOCIAL NEWS

Mary Pittman
VP & Social Coordinator
marypittman@hotmail.com

I am looking forward to serving as your Vice President/Social Chairperson for 2023.

First, I would like to give a rousing thank you to Jim Dawson for putting on a lovely, fun Christmas party. The venue was nice, the food tasty and the evening entertaining. And yes, maybe we will even carry on the new tradition of the ugly sweater competition. Kudos to Robert Geyer for getting his C8 in and out of the building on such a yucky weather night! Congratulations to all of those who received awards at the party also. It does indeed take a village to make things happen and officers and committee chairs are the backbone of that.

Going forward into the New Year, I am hoping to ramp up our social events with some old favorites and some new things also. Hopefully in this time of post Covid restrictions, we will be able to get together and get to know each other better and enjoy our mutual love of Corvettes

Finally, I can't do it all by myself...I am social committee chairperson which means having a committee to help with planning and execution. If you are interested in helping please let me know. Also, I am always open for suggestions.

Our first social is in the planning stages for February so watch for info.

2022 has now retired to be our memories, with aspirations and prayers for an even better 2023. We have heard that there are a lot of great plans in the works to make an awesome year with Cowtown Vettes. We will have a slideshow at the January Meeting which will include any

socials and events that took place in December. The Slideshow will again be on the BIG SCREEN at Fat Daddy's again this month for your viewing pleasure. In addition, Larry (our webmaster) will post it online, on the CTV Website.

If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow. Cowtown's *Microsoft O365* account provides *OneDrive*, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the **highest resolution** option you have on your camera or smartphone.

The Officer & Chairperson eMail distribution lists have been updated. The CTV-ALL eMail list will be updated after the 1st meeting of 2023; we always give a one meeting grace period for members that might not have renewed yet. When you receive a CTV-ALL eMail blast, we would request that you **please only reply to the originator of that email**. To do this, select **Reply** on the email, then **remove the CTV-All** entry and replace it with the **originator's** email address. If you are sending CTV-ALL emails, please include your email address in the body of the email.

If you change your email address – please send an email to CTV-Membership@groups.io.

If you are not receiving CTV-ALL emails, please get with me so we can either add you or figure out why you aren't receiving them. More information on lists and acceptable use of them [can be found on our website](#).

facebook –if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Who knows, maybe some of you are in the witness protection program and don't want to be tagged 😊 If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

We are looking forward to a great 2023 and enjoying our Corvettes.

Hope you and your family had a Happy Thanksgiving. **Have a safe and Merry Christmas along with a Healthy, Prosperous and Happy New Year.**

COWTOWN CRUISER

Robert Geyer
Cruiser Chairperson
geyerdrill@aol.com
James Little: Co-Chair

Hello Cowtown,

I hope everyone had a Merry Christmas and Happy New Years Holiday. It's now January and Old Man Winter has set in. No cruises are planned for January or February (due to weather) ... But, don't worry I am actively working on cruises for March, April, May and June. The first three are typical cruises with a good lunch and if there is enough interest I may throw in a breakfast cruise. For June, Randy Baker and I are putting together a multiple day cruise to the National Corvette Museum and the Corvette Factory as well as other attractions in and around Kentucky. More information for this will be coming soon. This cruise will need sign up commitment early (probably by February meeting) in order to secure hotel rooms, etc.

As before, I will be promoting our Cruiser Points Program, and the (what I saw along the way) photo contest for 2023. Your participation in these programs will enhance your experiences with Cowtown Vettes and I encourage you to give them a try.

CHARITIES

National Kidney Foundation™

Well, 2022 has come to an end and so has my year of taking care of our Cowtown charity events. It was nice to have a year where the Covid restrictions were fewer, allowing us to give more of our time.

Thank you to everyone who contributed to our 50/50 raffle each meeting. The EOY total and amounts sent to the organizations we voted to support will be out later in January.

Thanks to those who represented the club when we volunteered at the Tarrant Area Food Bank in June and November. It was a fun time!

We donated 555 pounds of pet food in August and gave \$145 in individual donations. We provided toys for Toys for Tots at our Christmas party and gave assistance at the Cook Children's Christmas Party. It was a good year!

Were you a winner in one of the 50/50 drawings? Take a look to see who won it more than once in 2022. 😊

sponsor? With club sponsors we can fund the financial needs of our club, but we also have opportunities for funding an event or socials; or event to print the Low-Down, etc. **We have a freshly painted Club Trailer – Certain Club Sponsors Levels will have their logo added to our club trailer, adding visibility beyond the flyer and our website.**

We always have copies of Cowtown's Sponsor Program at the Membership Meetings – see me. They are also available on our website, on the Sponsor page. If you need some in between meetings, contact either me or the Sponsorship Committee CTV-SC@groups.io

We continue tweaking the Member Guide that will help everyone to understand and promote Cowtown to potential sponsors. This guide will only be posted on the CTV Member's Only website page – not to be distributed to non-CTV Individuals.

If you have questions or need clarifications, please reach out.

COOK CHILDRENS CHRISTMAS PARTY

CTV CHRISTMAS PARTY

CTV CHRISTMAS PARTY

NATIONAL CORVETTE MUSEUM

Randy Baker
NCM Ambassador
rworldbfree@gmail.com

I hope everyone had a fun and restful holiday season spending time with their loved ones.

Cathy and I made a road trip to Atlanta to spoil our grandkids. We are always amazed at their superior looks and intellect that will surely someday qualify them for Mensa. I know these thoughts are pretty common for grandparents and probably many of you feel the same way about your families. But really, the Baker kids are special !!

All kidding aside, on our way back to Texas we took a side trip to the National Corvette Museum. Having not been there in the past six years, I was impressed with all the changes and improvements. There is so much to see there and even the most fanatical Corvette enthusiasts can learn facts and trivia that they did not know. For example – did you know in the original Corvette emblem one of the crossed flags was an American Flag. But it had to be removed as it seems the American Flag cannot be used in/on any commercial product. It was removed and a new emblem designed just hours before the unveiling of the brand new 1953 Corvette at the Waldorf Astoria in NYC.

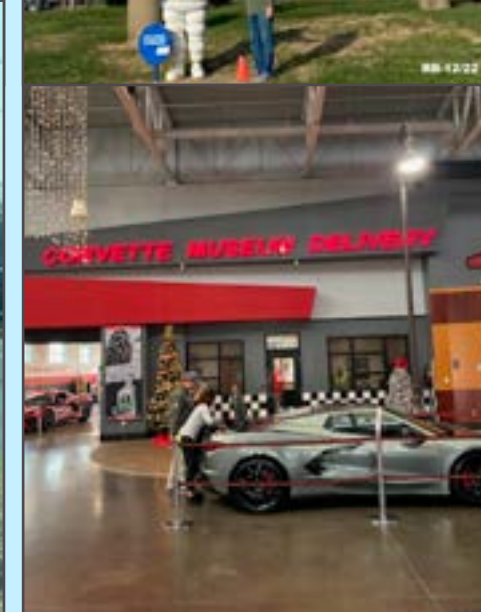

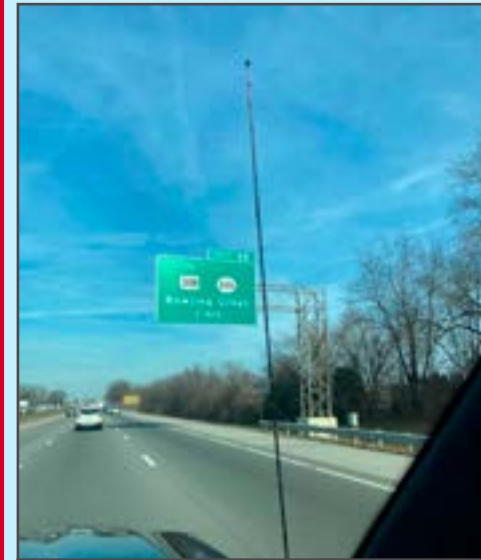

If you're planning to cruise with us to the NCM in the coming months or even go on your own – the NCM and beauty of the surrounding areas of Kentucky and Tennessee are well worth the trip.

Who knows – you might even want to take your grandkids. 😊

CATHY & RANDY'S NCM VISIT

NCCC HAPPENINGS

Larry Schaapveld
NCCC Events Coordinator
ncccevents@cowtownvettes.org

Hello '23 Goodbye '22 !

January finds us preparing for the events of 2023. Actually, much work was done in 2022 for this upcoming year. All dates are set and approved and contracts for venues have been signed.

Our first event is the practice autocross on March 11th, at Azle High School. This is two parking lots with a good transition from one to the other. It will not be a fast course but will have lots of turns and carousels. Should be good for beginners and practice for the experienced. The purpose of the practice autocross is not only for the drivers but for anyone who is interested in assisting and participating in the NCCC functions as a worker. There will be opportunity to learn timing, staging, starting, corner worker, course set up and tear down, registration, proper radio use, stopwatch timing and more. Hopefully we will have good weather and it will be an early chance to bring your car if only as a spectator and enjoy the day with fellow Corvette owners.

Last year our Spring Rally at Fat Daddy's was well attended by club members and out of towners with almost 30 cars in the car show and 15 teams in the funkhana and rallies. This year it will be a two-day event with each day having 2 car shows, a funkhana and 4 rallies. Potentially an individual or team could win 51 points with a total of 102 points for the weekend. This is being done in the Region and Nationally to make the non-autocross participant more competitive for Regional and National awards. This event should attract all regional point chasers and maybe some national participants.

It would appear that NCCC affects only a few club members, but my rough count is that there was over 75 members involved in NCCC events in '22 either as participants, workers or spectators. The liability insurance provided by the NCCC membership dues affects all members who participate in any club activity. I hope more and more members participate in our NCCC events

Looking forward to seeing each and every one of you this year in your car!

I hope 2023 brings you good health, wealth and happiness!

NCCC GOVERNOR

Norman Walker
NCCC Governor
norman_walker@charter.net

Happy New Year!!

Currently, there are 148 Cowtown members, renewal was a great success this year.

Twenty Twenty-Three starts out with a bang, with a SE Region Fundraiser at Bowling Green. This is a Convention Tune-up, for the National Convention there in June. Fourteen autocrosses and a car show, with a 75-car limit. I expect it will fill quickly!

As I stated at the last meeting, James Little finished 14th Nationally, and has earned a jacket and recognition at the National Convention. Congratulations James!

Just a reminder, the SW Region Awards Banquet is scheduled for April 1, 2023 at Lost Oak Winery. You do not have to be a recipient in order to attend. We have at least 6 Cowtown members receiving awards, and Cowtown Vettes is the **Number One Club** in the SW Region!

Cowtown's 2023 schedule starts with a non-sanctioned practice autocross on March 11, at Azle High School. The first sanctioned event will be 14 autocrosses on March 18-19, at McLane Stadium at Waco. It's been awhile since we've been there.

Flyers for all upcoming events will be made available as we get closer to the event dates.
