THE PRESIDENT'S PIT STOP

Raley Smith
President

rsmith1203@att.net

We're now beginning our 4th month of 2023 and we've already had a well-attended social at Boo-Rays with over 60 people attending. Following that, Larry Schaapveld's NCCC committee sponsored a Practice Autocross that resulted in several members and guests sharpening their skills while putting their Corvettes through a short, but challenging course. Additionally, our Timing Committee, led by Vicki Currey, successfully recorded the time for every car that ran the course. All of this increases our confidence for a successful autocross in mid-April. I'm sure Larry's article will provide more detail about the practice autocross as well as the upcoming Larry Hoaldrige Memorial Event.

By the time you see this in the Low-Down, we will have completed a Cruise to Cross Plains (population 926) for a visit to Woody's Classic Cars and Baseball Museum with a stop at Hard 8 in Stephenville for BBQ. A rumor has it that those going will be part of nearly 40 cars caravanning through a scenic route planned by the Cruiser Chairperson, Robert Geyer. Robert always delivers an interesting and enjoyable cruise. Hope you've let him know you plan to attend.

A bit of Corvette history – in April 1959 the Sting Ray Racer made it's debut at Maryland's Marlboro Raceway. Allegedly built with private funds due to a ban on "all things performance" by the Automobile Manufacturer's Association, it sported no badging by GM, Chevrolet or Corvette. It car placed 4th in the race. The car eerily resembles the C2 generation of Corvettes.

That's it for now. Hope to see all of you at the opportunities Cowtown Vettes is offering this month. And remember, Save the Wave – wave at all Corvettes you meet on the street regardless of whether they wave at you or not.

SOCIAL NEWS

Mary Pittman
VP & Social Coordinator

marypittman@hotmail.com

As April rolls around all of our Corvette activities "kick it up another notch" with the SWR Banquet, the Larry Hoaldrige Memorial Autocross Event and another combination cruise/social event. Hopefully April showers are going to bring lots of pretty May flowers!

APRIL

As previously mentioned, April is a very busy month, so we are once again teaming with Robert Geyer doing a Cruise & Dine for our April social on 22nd. This cruise will take us up across the Red River into Oklahoma to McGehee's Catfish Restaurant in Marietta. Robert will provide info in regards to start time and location.

www.mcgeheescatfish.com

MAY

For our May social event we have a club picnic planned. The picnic is scheduled for May 13th from 2 to 6pm at Bicentennial Park in Crowley. The address is 900 E Glendale St. The club will provide hamburgers and/or hotdogs for \$5 per person and ask you to bring a side dish or dessert to go with the meal. The club will also furnish water or you may bring soft drinks if you like. (Alcohol is not allowed at this venue). Feel free to bring your children and/or grandchildren for this event. If you have corn hole, frisbees or other games to share that would be appreciated. There will be a sign up sheet at the April & May membership meetings.

Once again I would encourage you to come out and enjoy some of our other club events in April and May such as the Larry Hoaldrige autocross on April 15-16 and the Spring Scramble at Fat Daddy's on May 20.

The weather has continued to waiver between yucky and awesome, so getting out and cruising has been sporadic at best. Fortunately, there are a lot of great plans in the works to make this another great year with Cowtown Vettes.

We will have a slideshow at the April Meeting which will include any socials and events that took place in March. It will also include some Corvette Trivia along with various other Corvette happenings around the country. It will be on the BIG SCREEN at Fat Daddy's for your viewing pleasure. In addition, Larry will post a lower-resolution version on the CTV Website.

If you have been working on or updating your Corvette with new items ...or if you have taken a trip in your Corvette and have some photos to share with membership, please send those to me and I'll include them in the monthly slideshow. Cowtown's **Microsoft 0365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the highest resolution option you have on your camera or smartphone.

When you receive a CTV-ALL eMail blast, we would request that you **please only reply to the originator of that email.** To do this, select **Reply** on the email, then **remove the CTV-All** entry and replace it with the **originator's** email address. If you are sending CTV-ALL emails, please include your email address in the body of the email.

If you change your email address – please send an email to CTV-Membership@groups.io.

If you are not receiving CTV-ALL emails, please get with me so we can either add you or figure out why you aren't receiving them. More information on lists and acceptable use of them [can be found on our website.](#)

facebook – if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Who knows, maybe some of you are in the witness protection program and don't want to be tagged. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

Get on out there and enjoy that Corvette!!

To all my cruising friends...

First of all, thanks for allowing me to lead ya'll to Woody's car museum in Cross Plains. I hope everyone had as much fun as I did.

Now on to April.

My next cruise will be to **McGehee's** catfish restaurant in Oklahoma. Don't worry as it's just over the Red River and not too far away. I will be checking out the best rural roads I can find for a fun drive. The cruise planned date will be **April 22th**. Time and meeting place to be determined.

Come to April's club meeting and I will have the details by then as well as a sign up sheet.

That's all for now and see ya'll in April.

Hello Everyone –

Well, I hope everybody is enjoying the warmer weather we have been having but that means it's the beginning for “spring-cleaning” and “maintenance” for both indoors and outdoors at home. As we spring into cleaning, please consider donating your items to worthy organizations that can help those who are struggling or have unfortunate situations going on in their lives.

While we are on that subject what does “charity” mean to you? Everyone has different ideas and feelings and for many it's a very personal choice. I recently ran across an article and found the following to be “spot-on”

10 reasons you should consider donating to charities:

1. It is a reason close to your heart
2. You help make a difference
3. Every donation makes an impact
4. Giving benefits society's neediest and most vulnerable
5. Brings us closer to the society we want to live in
6. Gives us a sense of belonging
7. Sets an example for others
8. Giving is in our nature
9. It makes us feel good
10. And in some cases – we can enjoy an extra bit of tax relief

Just as a heads-up – at our May 3rd CTV Meeting at Fat Daddy's, I have Maria Koegl, Director of “Don't Forget to Feed Me” coming to the meeting to collect the CTV donations. The organization is always grateful of our participation annually. Please bring pet food, coupons, monetary donations to the meeting. We have always been big donors to DF2FM in the past and I would like to keep that trend going !

I will send out reminders as we get closer to the May 3rd date. And for those of you who typically do not attend the monthly meetings, I would be glad to collect checks from you made out to “Don't Forget to Feed Me” and pass them along to Maria. Please send to my address at 8891 Random Road, Fort Worth, TX 76179.

Corvette Racing Continues...Go yellow #3

GT Daytona Pro (GTD PRO)

No. 3 Corvette Racing Chevrolet Corvette C8.R GTD

Antonio Garcia/Jordan Taylor/Tommy Milner

Corvette Racing had a single entry for the 2023 Rolex 24, as it begins its 25th season as a team. Both Garcia (2009 overall, 2015 and 2021 with Corvette) and Taylor (2017, 2019 overall and 2021 with Corvette) have three Rolex 24 wins to their name and multiple championships. Milner returns to North America for 2023 in a dual role. He'll share this car at Daytona, the Mobil 1 Twelve Hours of Sebring and Motul Petit Le Mans, while extensively testing the new Corvette Z06 GT3.R, available to racing customers in 2024.

But some people wonder why exotic prototype entries compete on the track with the slower, larger, and heavier GT cars, such as Mercedes, Corvette, and other popular sports car brands. The reason is that these different types of cars are racing for victories and championships within their own group of competitors, and it's thrilling to watch faster drivers thread their way through slower traffic.

The 2023 Chevy Corvette won the Kelley Blue Book 2023 Best Overall Resale Value Award, making it to the top 10 models out of those KBB analyzed. The publication states that the top 10 "list represents the best of the best, and the threshold for this honor is high."

BLAST FROM THE PAST...The Real Dude!!

In 1897, Louis Chevrolet was called to repair a steam-driven tricycle that belonged to William Kissam Vanderbilt, the grandson of Cornelius Vanderbilt, one of the wealthiest men in the world at the time. Impressed by Chevrolet's mechanical skills, Vanderbilt encouraged the young man to go to America to pursue his dreams. The rest is pretty much History!

NATIONAL CORVETTE MUSEUM

Howdy Cowtown ...

It looks like our club trip is shaping up nicely with stops planned in Little Rock, Nashville, Bowling Green, Louisville and a tour around Dragon's Tail. Thanks to Robert it looks like we will have a great cruise with fun, honky-tonks and historical stops mixed in with a nice amount of scenic and curvy roads. We have 17 club members and 9 cars making the trip.

In Bowling Green we are all set with a factory tour, lunch at "Stingray Grille" and touring of the NCM. Also, some gawking and a little applause for those lucky people who are taking delivery of their cars on the Corvette Boulevard. Following that, we will have a little time to watch pro drivers on the motorsports track, visit other vintage Corvettes and classic cars, and with some time to visit historic Bowling Green. Also followed by a group supper that is just one action packed days of the trip.

Speaking of the museum – did you know they have a library and archives available for research regarding anything Corvette. You can come to the museum and research yourself or pay a NCM representative to delve into any question you have about your car or one you may have owned or even thinking about owning.

Another neat thing the museum has started offering is a "Baby Book" containing photos of your new Vette during different stages of assembly. I can hear it now "he's got an album of his car being born but he doesn't know where any of the kids' pictures are!" 😊

Last note – the weather is getting right and it's time to get your car out and take the top down (or off) and have some fun.

Currently, there are 152 Cowtown Vettes Members.

NCCC events are now in full swing! Up next is the Awards Banquet on April 1, in Burleson. In conjunction with the Awards Banquet, there will be a Southwest Region fundraiser consisting of a car show and funkhana. The flyer is online and can be found here: <http://ncccsregion.org/2023/SW-198-005.pdf>.

On April 15 and 16, Cowtown will host the 3rd Annual Larry Hoaldrige Memorial Event. Fourteen, low-speed autocross events! The flyer is online and can be found here: http://ncccsregion.org/2023/CTV_LHM_Flyer%2030415.pdf.

Next on the agenda, on April 29 and 30, Longhorn Corvette Club will be hosting the Tom Moore Memorial Weekend. This is also a 14 low-speed autocross weekend, held at the Texas A&M Central Texas campus in Killeen. The flyer can be found here: http://ncccsregion.org/2023/SW-207_Event_Flyer.pdf.

Safety issues and procedures were discussed at the February Governors meeting. We will be doing things a little bit differently from now on. Waivers are a top priority, making sure everyone signs their own name, and ONLY their own name. More to come.
