## THE PRESIDENT'S PIT STOP

Raley Smith  
President

[rsmith1203@att.net](mailto:rsmith1203@att.net)

Wow! It's been a busy couple of months. We've had members racing (and working) at various autocrosses, car shows to enter, and a social event at Dillon's Depot. Cowtown members have done a tremendous job representing our club, whether it is autocrossing, showing a clean Corvette at another club's car show, or helping CTV's 21st Annual Corvette Car Show be a smashing success. Special thanks are in order for Larry Schaapveld, NCCC Events Chairperson, and Kim West, Car Show Chairperson, and their committee members for planning and executing their respective events in a way that upholds the reputation Cowtown has earned over the years.

From here to the end of the year it's mainly fun times with a cruise early in November and the annual Awards Banquet/Christmas Party in December. Both are going to be events you want to be part of. Read more about these in reports from the responsible committees in following pages of the LowDown. Finally, be sure to attend the November membership meeting at Fat Daddy's where we'll finalize nominations for Elected Officers to lead us through 2024. There are officer positions that don't have nominees agreeing to be on the ballot and there's room for additional nominations for any of the positions; a little competition makes for an interesting election. If you can't think of anyone for a particular position, nominate yourself.

And finally again, don't forget the kids. Halloween is almost upon us and there's still a lot of candy in the stores. Take a second mortgage, buy candy and put a smile on the face of trick or treaters in your neighborhood.

That's it for now.

**Save the Wave ... ..!!**

## SOCIAL NEWS

Mary Pittman  
VP & Social Coordinator

[marypittman@hotmail.com](mailto:marypittman@hotmail.com)

Can it possibly be November?? Where has the year gone? We have been enjoying some beautiful fall weather with just a bit of crisp in the air intermingled with a few still slightly warm days! This month will be our last combo social and cruise. We thank all of you that have come out for our Drive & Dine events.

### NOVEMBER

On November 4, we will once again be heading out to the **Currey's** hanger at **Hicks Airfield** and will enjoy lunch at the cafe there at the airport. We will cruise out together and have lunch and spend some time visiting as well a looking at Larry's rat rod and other sundry cars! Be sure and bring your lawn chairs and the beverage of your choice for an afternoon of visiting. Robert Geyer will send out information as to time, starting spot, etc.

### DECEMBER

Our final event for the year is our annual Christmas party and awards banquet which will be

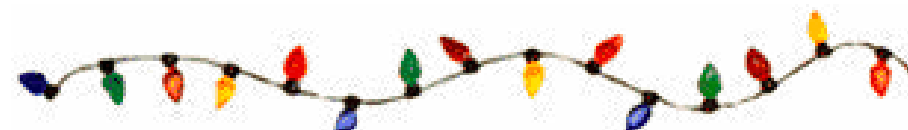

**Saturday December 9th at 6:00pm**

at

**Lost Oak Winery Event Center,  
8101 County Rd 802, Burleson, Tx 76028.**

Please get your reservation in as soon as possible if you plan to attend, so we can get an accurate number to the caterer. The cost for the event is **\$40 per person** and payment will be due in November. Wine and beer will be available for an additional charge at the event. We will celebrate our award winners, enjoy a holiday dinner and hopefully have some fun! Also, don't forget your unwrapped toy for "Toys for Tots".

Look forward to seeing you there.

Thanksgiving is around the corner, and things are back to normal. We will have a slideshow at the November Meeting which will include any socials and other events that took place in September and October. The slideshow will continue to include some Corvette Trivia along with various other Corvette happenings around the country. It will be on the BIG SCREEN at Fat Daddy's for your viewing pleasure. In addition, Larry will post a lower-resolution version on the CTV Website.

If you have been working on or updating your Corvette with new items ...or if you have taken a trip in your Corvette and have some photos to share with membership, ***please send those to me and I'll include them in the monthly slideshow*** Cowtown's **Microsoft 0365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically **use the highest resolution option you have on your camera or smartphone.**

When you receive a CTV-ALL eMail blast, we would request that you **please only reply to the originator of that email.** To do this, select **Reply** on the email, then **remove the CTV-All** entry and replace it with the **originator's** email address. If you are sending CTV-ALL emails, please include your email address in the body of the email.

If you change your email address – please send an email to [CTV-Membership@groups.io](mailto:CTV-Membership@groups.io).

If you are not receiving CTV-ALL emails, please get with me so we can either add you or figure out why you aren't receiving them. More information on lists and acceptable use of them [can be found on our website.](#)

– if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Who knows, maybe some of you are in the witness protection program and don't want to be tagged. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

***Get on out there and enjoy that Corvette!!***

### CTV Treasurer

As a friendly reminder, our Monthly Treasurer Reports are located on the Member's Only page on our website. If you have any questions about the reports, please feel free to reach out to me. The Treasurer Reports now match the timing of the Bank Statements (month ending) – so basically, they are a full month behind however; it includes all transactions now.

Additionally, all the Budgets and P&Ls for events and socials are there too.

## COWTOWN CRUISER

Robert Geyer  
Cruiser Chairperson  
[geydrill@aol.com](mailto:geydrill@aol.com)  
James Little: Co-Chair

Hello all,

It's now October and finally we are beginning to see some relief from 'the long hot summer'. I was pleased to lead what was a larger than expected group to Dillon Depot in Cleburne. had around 25 cars and 38 people. The miniature train layout and train memorabilia was amazing. I hope everyone had as good a time as I did.

CTV has a very busy month in October so I do not plan on cruising this month. However for November, I will once again be leading a cruise to Larry and Vicki Currey's airplane hanger at Hicks Airfield with lunch at the Wing It Cafe. We did this trip last year and it was a fun afternoon. I want to thank Larry and Vicki in advance for their hospitality for all of CTV to enjoy.

Now on to business...time is drawing near for those participating in the Cruiser Points program and the "what I saw along the way" picture contest. I have already seen some great cruiser pictures and I know there are plenty more to be shared with your CTV friends. If you have not taken your photo, there is still time. Remember Fall color can make for a fantastic picture too. Pictures will be submitted to me for DISPLAY and membership voting at November's meeting with awards being given out at December's Christmas party. This year I will be accepting both 4" X 6" and 5" X 7" photos. If possible, submit your Cruiser Points participant log sheet and accompanying photos to me by the November meeting as well. If you have any questions or need help I will be happy to assist.

That's all for now and I'll see ya'll at the October car shows.

WOUNDED WARRIOR  
PROJECT

TARRANT AREA FOOD BANK

Hello Everyone -

As I stated last month, the past few months have been concentrated on getting donations and door prizes for our annual CTV Car Show. We have been extremely fortunate for the multitude of businesses which have been more than generous to our club. Due to their actions – our “give aways” were great and we had a good time giving it all away during the course of the day.

Moving right along – here's a “heads-up” about multiple charity events that are being planned for the remainder of the year. Please look at the listing below and put these dates on your calendar. After all, we are soon facing the holidays and we all know how fast our social commitments fill up.

- 1. Thursday, November 9th** - CTV will be working to support the Tarrant Area Food Bank from 1:00 – 4:00pm in the Distribution Center in “Quality Control”. The address is 2600 Cullen Street, FW 76107. I am planning for those who would like to participate, after our shift concludes, we will go to Angelo's Barbeque for some food and camaraderie. Since I sign us up as a “Team” - please email me if you would like to participate and I will include you on our team listing. I will also provide a sign-up sheet at our next club meeting so we can get a participant count for both the TAFB as well as Angelo's.
- 2. Tuesday, December 19th** – CTV will be supporting the Cooks Children's Hospital Christmas Event at 11:00am. CTV normally provides around 10-12 volunteers to help with their Christmas event for the kids. Details are still pending – so more information will be provided as soon as it is received.
- 3. Saturday, December 9th** – the CTV Christmas Party. As in years past, CTV participates in the Toys-for-Tots event and I believe last year was a record number of toys collected! We sincerely appreciate your generosity and hope that we can do as much (OR MORE) this year. So do your shopping early and have fun selecting those toys.

If you have interest in any of the events listed above – please feel free to email me with what you would like to participate in at [cathybaker3@gmail.com](mailto:cathybaker3@gmail.com) call me at 817-713-2190 and/or let me know at any of the upcoming CTV members meetings.

Again, thank you for your kindness and generosity – it truly makes our club special.

## Corvette Racing Continues...Go yellow #3

### Final Outing for Factory Corvette Racing...

### ... Ends in Heartbreak At Petit Le Mans

A 25-year run for the factory-backed [Corvette Racing](#) team wrapped up on October 14th, 2023. Things looked good for the No. 3 C8.R team early in the race, but unfortunately, the race car was forced to retire due to an engine failure with less than five hours left in the 10-hour event.

Tommy Milner took control of the [Corvette](#) Racing machine, when he lost power, forcing him to slow. To add insult to injury, the No. 3 C8.R was leading the GTD class at the time of its mechanical failure, having led 87 laps to that point.

"It's sad and a bittersweet ending," he said. "We went out leading, which is a positive. It's too bad the fans didn't get to see us finish one last race in IMSA in the C8.R."

While its [factory-backed](#) days are behind it, Corvette Racing certainly isn't done for good. It will live on in the new [Corvette Z06 GT3.R](#), which will take to the track as part of the organization's [customer racing program](#).

Norman Walker  
NCCC Governor  
[norman\\_walker@charter.net](mailto:norman_walker@charter.net)

Currently, there are 160 Cowtown Vette Members. Renewals are still very slow so far, and by the time you're reading this, the early renewal period will be over. Do not fear, you can still renew, there will just be a small \$10.00 late fee.

The final NCCC event of the year will have been held in Edmond, OK on October 28 and 29, before you are reading this. It is a SW Region fundraiser. Half of the profits from this event will go to the SW Region Scholarship Fund!

The SW Region standings of Cowtown and Cowtown members have changed, and will change again, after the points from the Killeen/ Holland events are added.

Currently, in the men's competition, Cowtown members still occupy SIX of the top ten spots! James Little -1, Dalan Walker - 4, Rick Whitcomb - 5, Larry Schaapveld - 7, Red Greenfeder - 9, and Norman Walker - 10.

On the ladies' side, Lee Ann Parker - 2, and Cathy Anthony - 8, and Kim Little - 10.

As a club, Cowtown Vettes will finish Number 1 in SW Region, over Number 2, Oklahoma City Corvette Club. The national standings have changed. We have 2 men, and no ladies in the top 15. Rick Whitcomb - 11, and James Little - 14. Numbers from last weekend's events have not been added. As a club, Cowtown is still Number 3, with a slight lead over number 4.

The numerous changes and clarifications have been voted on (electronically) in the Competition Manual and Bylaws, and we should learn the results at the November Governor's Meeting in St. Louis. Most notable are changing the number of sanctions from 10 to 14, allowing riders who are competing in autocross events, eliminating helmets from funkhanas (below 10 mph), and several others. These can be found on the National NCCC website if you are interested. Also, we will learn who the new VP of Competition will be. Jack Alexander and Rene Cardenas are running.
