

### **John Armes – Junior Board Member Candidate**

Over the years I have owned three Corvettes and have enjoyed each and every one of them. Cory and I have been members of Cowtown for the past year and have had such a wonderful time with fellow members benefitting from all the opportunities this club offers. We have had the pleasure of meeting many new friends and look forward to building these relationships in the years to come.

Throughout this time, I have been involved in several of the events that Cowtown sponsors whether it was helping with charities, working at competitions and car shows or relaxing on cruises. I have enjoyed every one of the activities and the effort it takes to make each of them a success. I am proud to be a member of Cowtown and what it represents and in this position I will continue to demonstrate the values for which this club stands.

I am very proud to be nominated with two fine individuals and feel that each man would represent Cowtown well. Thank you for your consideration of having me serve as a Junior Board Member. If elected, I will work hard to represent Cowtown and all of its members to the best of my ability.
