

Candidate for 2017 Cowtown Webmaster

Glenda and I have been married almost 42 years. We have two wonderful daughters which have blessed us with five grandchildren, all of which are CTV/NCCC FCOA Members. My working career has traversed from Architecture, to Civil Engineering (oil field) to Information Technology in the largest telecommunications company in the world.

We enjoy our Corvettes in almost any venue that you can take a Corvette to; cruises, competition events, trips and even a car show every now and then ☺

From a website perspective, I am a self-taught webmaster who enjoys sharing our Corvette fun with the world. Our website typically takes between 30 minutes to several hours each day; especially in busy months.

We have been members of NCCC as a Member At Large (MAL), prior to joining *Cowtown Vettes* in May of 2003. During this time I have been involved at the club, region and national levels; with highlights as presented below:

Cowtown Vettes:

- *Webmaster:* 2003 to Current.
 - Cowtown has won 1st place five times, one 2nd place and one 3rd place win in the *NCCC National Website Contest* (started in 2005). Note: every year entered; a club can't participate the year after a 1st place win.
 - We have won Silver in the *World-Wide Website Contest* in 2007 and the *Art Space World Web Award of Excellence* in 2010
- *Board Member:* 2005 to Current
- Involvement in hosting our annual NCCC Events since 2004; including serving as the Event Chair or Co-Chair for several of those years.
- Involvement with the club's annual Car Show for numerous years
- Created the *Cruiser Program* in 2005; serving as chairperson for numerous years
- Numerous Cowtown awards including *Rookie of the Year*, *Governor's Awards*, *100%er*, *Outstanding Member*, *1st in Cruiser*, *1st in Car Show*, etc.

Southwest Region:

- *Webmaster:* 2008 to Current
- *Regional Competition Director (RCD)* current term is 2015-2016; just re-elected for 2017-2018.
- Heavily involved in Cowtown hosting the SWR Banquet in 2005, 2010 and again in 2017
- Over the years, we have participated in the SWR competition events starting in 2004.
- Numerous awards of achievement in addition to *SWR Outstanding Member* twice.

National:

- Very involved in hosting the 2008 NCCC Nat'l Convention hosted by the SWR. Served as event photographer for several conventions before and after that.
- Held the office of *NCCC Director of Public Relations* from 2010-2014. Having had the opportunity to serve in this capacity has involved me with numerous clubs, large Corvette Events, club & national sponsors, etc. This tenure has allowed me to gain knowledge around what other clubs around the nation are doing in many areas of interest; from various socials, events to sponsors, etc.

I feel that I can positively represent Cowtown Vettes as Webmaster. I am asking for YOUR VOTE for me as your 2017 Webmaster.

Thanks in advance for your consideration,
