

William Nolan Candidate for Board Member

I joined Cowtown Vettes in March of 2013 with my wife Mary Pittman.

By becoming involved in club activities I was able to learn the workings of the club as well as become acquainted with many great people.

Although I do not race my car I have enjoyed volunteering as a corner worker at our autocross races and have traveled to races in several different locations.

In 2016 I have had the privilege of serving as the junior board member and also the Cowtown Cruiser Program chairperson.

I enjoy being a member of Cowtown Vettes and would be honored to continue serving the club as a board member for 2017.

Sincerely,

William Nolan
